Invention: Syringe Guide

Inventor: Grigor Garukyan

Application number: 10/755,286

Art Unit: 3751

Examiner: Timothy L. Maust

**After-final Amendment**

The word "vile" should be replaced with the word "vial" in the entire specification portion. In addition, on page 3 line 4 of the specification portion, the words "safety syringe" should be replaced by "syringe guide".

Claim 17 is canceled. The new claim is claim 18.

Thank you
